MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Teague Subcommittee on Manned Space Flight -  
Soviet Space Program

25X1 1. Mr. Duckett, accompanied by Mr. Brandwein and   met with Representative Olin Teague's Subcommittee on Manned Space Flight, House Committee on Science and Astronautics, and updated information on the Soviet space program. Present from the Committee were: Representatives Teague, Daddario, Waggoner, Fuqua, Cabell, Tiernan, Fulton, Rumsfeld and the Chairman of the full Committee, George Miller. Due to the number of persons present in Representative Teague's office, Committee staff personnel were not present.

2. Attached is a list of the briefing boards prepared for Mr. Duckett's use. The material covered in charts one through twelve was related by Mr. Duckett.

3. At the conclusion of the briefing Mr. Teague advised the members that an unclassified statement had been prepared for the members' use in floor statements, or whatever, with regard to the Soviet man-in-space program.

4. After consultations with Chairman Teague the unclassified memorandum which had been prepared prior to the briefing was rewritten and returned to Mr. James Wilson, on the Committee staff, on 1 March 1968 for distribution to Committee members.
